Ref. # 824

Dear Exhibitor,

We hereby remind you that in accordance with the current legislation of the Russian Federation (Federal Law of 21.11.2011, No. 323-FZ "On the Principles of Health Protection of Citizens in the Russian Federation, Federal Law of 12.04.2010 No. 61-FZ" On Circulation of Medicinal Products", as well as normative by-laws adopted on their basis) only circulation of medical devices and medicinal products registered in Russia in the established manner is allowed in the Russian Federation. The circulation of counterfeit, poor quality and unregistered in Russia medicines, medical devices and the circulation of counterfeit dietary supplements entail criminal liability in accordance with Article 238.1 of the Criminal Code of the Russian Federation.

We draw attention to the fact that state bodies with relevant powers have the right to inspect the exhibitors' compliance with the current legislation of the Russian Federation during participation in exhibitions, including making test purchases.

We remind you that the full responsibility for compliance with current legislation in the course of exhibiting goods, works and / or services, as well as when trading on the exhibition stand, is borne by the exhibitor.
